All of the above links can be found on the Show My Homework Calendar, this is available from the school Website www.castlefordacademy.com under the “Useful Links” section and then “Show My Homework Calendar”

Any problems, you may email admin@castlefordacademy.com during the first week of the holiday (23rd – 27th of July) or ring the School Telephone Number 01977 605060 from 30th July onwards.

If pupils do have any problems completing the Passport to Success, please do send a note in with your child as there will be sanctions if a Passport is not completed.

The Academy will also leave a set of paper-based Passport to Success in the school reception – if pupils cannot access the websites, there are some activities to complete over the summer.

Parents'/Carers' Information

This booklet is designed to help smooth your child's transition into the next academic year. Research shows a 'dip' in a child's attainment occurs after a long summer break and we do not want that to occur. Please encourage your child to complete the tasks outlined over the summer holiday. Please return it completed in the first week back in September.

There are 5 tasks for pupils to complete this summer – tick them off as you complete

- My Maths – an online Maths computer program where pupils need to complete 12 tasks.
- Lexia – an online English computer program where pupils need to complete 6 hours over the summer.
- Reading Record – pupils need to log their regular reading over the summer.
- Spellings – A spelling list that pupils need to practise so they are ready for Y7 English.
- Timestables – Pupils need to regularly practise their timestables over the summer so they are ready for Y7 Maths.

My Maths

Pupils need to log on to the My Maths website at www.mymaths.co.uk. They can access this link on their Show My Homework App/Website. They then need to log in to the program using their User ID which can be found on the front of this booklet.

They now need to complete the 12 tasks. We strongly recommend that these are paced out to 2 tasks per week so they can be regularly practising over the summer.

If your child achieved higher than a score of 100 in their Maths SATS, they need to complete the two extra tasks.

Reading

Reading (books preferably) is a very successful way of improving a child's comprehension ability, a crucial skill for your child to succeed in all areas of the curriculum. We would like your son/daughter to record their summer reading.

We would love your child to read every day, but we know this is not a realistic target for some pupils and so we want your child to read at least an hour every week.

Your child now has access to the 'Lexia Reading' scheme they should continue to work through tasks over the summer holiday. **Ideally, your child should complete 20 minutes on the scheme three times per week.**

Spelling

There are two lists of spellings attached. The basic list contains the spellings your child should know. The challenge list contains the spellings your son/daughter should know by the end of Year 7.

My Maths

This work is to help your child's transition to Castleford Academy. Research shows a 'dip' in a child's attainment after a long break from school; we do not want that to occur.

The tasks have been set at a general level for Year 7 pupils, with some extension tasks for those gaining 100+ marks in their maths SATs.

It would be a good idea to complete one task each week. If you are going on holiday, enjoy your break and complete the missed tasks during the weeks you are not on holiday.

Login information:

www.mymaths.co.uk username: castlefordpassword: addition

Use the unique second level login from the front cover to access work.

Please encourage your child to complete their mymaths homework tasks.

They should fill in the following table as tasks are completed.

They must return this booklet to school on 5th September.

Week	Task	Complete ✓	%	😊 ☹️
1	Adding in columns			
2	Subtracting in columns			
3	Mixed tables 2 to 12			
4	Short Division			
5	Place value hundreds thousands			
	Extension Tasks below; please complete these if you got 100+ on SATs Paper			
6	Fractions of Amounts			
7	Percentages of Amounts 1			
8	Ordering Decimals			

Signed (pupil): Signed (parent):

If you scored over 100 in your Y6 Maths SATS exam, we would like you to complete the extension tasks.

Basic Spellings

You should know all of these spellings. If you don't then you need to try and learn them over the summer. Tick them off once you're sure you know them.

Away	Been	Called	Can't	Goes	Fair
More	Next	Push	Talk	Where	There
Again	Asked	Before	Being	Doesn't	Cheat
Found	Friend	Inside	Little	Often	Friend
Really	Right	Should	Talking	Their	Witch
Walked	Which	Write	Although	Because	Believe
Brother	Business	Caught	Children	Decided	Colourful
Family	Heard	Important	Laughed	Knew	Chief
Lovely	Opened	People	School	Somebody	Horrible
Something	Suddenly	Thought	Through	Together	Gigantic

Challenge Spellings

Fancy a bigger challenge? These are the spellings you should know.

Absolutely	Cried	I'm	Security	Battered	Embarrassed	Nauseas	They're
Again	Crumbs	Impatient	Shine	Beeping	Fitting	Noticing	Threw
Aggravated	Defeat	Kidnapped	Simplest	Bellowed	Fluorescent	Opponent	
Angry	Delayed	Lead	Squatting		Through		
Anxiety	Devastated	Leapt	Squealed	Borrow	Frustrated	Ordinary	Thrown
Anxious	Dialled	Lingered	Staring	Brother	Gentle	Panicking	Tiniest
Anywhere	Dilemma	Loneliness		Business	Gorgeous	Phenomenal	
	Stepped				Tomorrow		
Appearance	Disappointment	Losing		Captain	Gradually	Pressuring	
	Stitch				Tongues		
Approachable	Disgrace	Minute	Strolling	Caught	Guiltily	Professional	Trembling
Arrived	Disgusted	Miracle	Sure	Chose	Happening	Quietly	Tried
Bald	Dragged	Month	Surprised	Competition	Herd	Reception	Turbulence
Ballistic	Elephants	Mumbling		Couldn't	Honey	Recognised	Unbearable
				Creeping	Honour	Regrettably
