

Year 8 – Higher Mathematics Passport to Success

Pupil name: MyMaths Login:

Year 8 Maths Teacher:

This booklet is to help smooth your child’s transition into Year 8. Research shows a ‘dip’ in a child’s attainment after a long summer break; we do not want that to occur. Please encourage your child to complete all the mymaths homework tasks outlined below over the summer. Please return it completed during the first week back in September.

The tasks have been set at a level suitable for your child’s ability. Encourage your child to organise their time! It would be a good idea for them to complete two tasks each week. If you are going on holiday, enjoy your break and complete the missed tasks during the weeks you are not on holiday.

MyMaths login information:

www.mymaths.co.uk username: castleford password: addition

Use the unique second level login from the front cover to access work.

Please fill in the following table as you complete the tasks.

Week	Task	Complete ✓	%	😊 ☹️
1	Mixed tables 3, 4, 6			
	Significant figures			
2	7 times tables			
	Recurring decimals 1			
3	8 times tables			
	Mixed numbers
