

Are you finishing school or college soon and looking for a work experience opportunity during August?

If so, why not join the British Gas work experience programme in August in Leeds?

Are you finishing school or college soon & looking for a work experience opportunity during August?

Well, look no further as British Gas are running work experience courses in Leeds during August.

Although unpaid, these great opportunities can help if you are trapped in the vicious circle of being unable to get a job because you don't have experience, but you can't get experience because you don't have a job. Our programmes are designed to help people gain new skills and experience to help them into the world of work or further education.

During the work experience programme you will gain an awareness of our products & services & get the opportunity to spend time with a customer services team & shadow our engineers, installing and servicing heating products & energy systems.

Who can apply?

These opportunities are open to anyone aged 16-24, who will not be in employment, education or training during August, with no unspent convictions.

How do I apply?

Interested? Then all you have to do is pop an email across to us at movementtowork@centrica.com with your **name, email address, post code, contact number & age** and the **location Leeds** and one of our team will contact you.

Go on; why not give it a go!!
