

Show My Homework

Instructions for Logging in – Students

It is time to log in to your new Show My Homework account! This has been created for you to keep up to date with your homework progress across all your classes.

How to log in?

- 1) At school, on your student portal, click on the Show My Homework tab on the right.
- 2) Log onto the Castleford Academy website and find Show My Homework under the useful links tab.
- 3) Go to www.showmyhomework.co.uk
- 4) Enter your school user name and password into the areas asked for and click 'Log in'.

You are now able to access your account and view all your homework, no excuses!

If you do have any issues, please use the 'Need help logging in?' section of the SMHW website and Show My Homework will help you log on. Remember the log in details are the same as your school computer log ins and this can be done through Apps for both Android and iPhone devices.
