### Progression Policy for existing Castleford Academy Students

#### Introduction

Castleford Academy Sixth form is committed to providing places on an open-access basis. Our entry requirements are generic and indicative only. The sixth form is committed to recruiting with integrity. IAG is provided at all stages and takes into account a range of factors including GCSE score, predicted grade, actual grade and other factors. The Sixth Form reserves the right to refuse admission to a course in some cases, even where the generic requirements are met. This is in the interests of student success.

## Application deadlines

The deadlines for applications to study at Castleford Academy will be published on our website and to schools, on an annual basis. This is usually around July each year. The application process is generally using the UCAS Progress website all schools use as part of a student's progress from year 11 to Post 16 education.

## Planned Learning Hours

In order to maintain funding from the EFA all students must be on a programme of above 540 planned learning hours. Students will not be accepted on programmes less than 540 hours.

Students who have not achieved a grade C in GCSE English or Maths must enrol onto a GCSE course or at least be working towards GCSE on a suitable alternative qualification. This is now a condition of funding.

This will be agreed with the student on enrolment and form part of their learning agreement. Subsequent changes to this programme must be agreed by Senior Management, but the hours must not fall below 540.

Student's programmes should also contain an element of either work experience or employability skills. Students will be given the opportunity to experience these aspects within their Year 12 programme.

## Programme of Study

What will students be enrolled to do?

- BTEC Extended Diplomas which are equivalent to 3 A Levels.

We have a fundamental belief in the entitlement of every learner to fulfil his or her potential and will help both to remove any barriers so that full achievement can take place and promote equality of opportunity across all aspects of Sixth Form life.
